

● **WARM UP**

As Jesus was coming to Jericho, blind Bartimaeus, who was sitting by the road begging, began to cry out and say, "Jesus, Son of David, have mercy on me." The people told him to be quiet and as Jesus healed him He said, "Go your way, your faith has made you well." He immediately received his sight and followed Jesus on the road! (Mark 10:46-52)

● **QUESTIONS**

1 How do we get this faith? (Read Matthew 18:3.)

● **READ** Luke 17:11-19

● **BACKGROUND**

Jesus said that if we have faith as a mustard seed we can say to a mountain, "Move from here to there, and it will move; and nothing will be impossible for you." (Matthew 17:20)

2 How do we get childlike faith in God? (Read Romans 10:17.)

● **CONSIDER THIS**

When we are born again of the Spirit of God we receive the mind of Christ. If we approach the Word of God as a little child and believe it absolutely, then faith begins to grow in our heart and mind.

I have learned to believe the Bible - not argue about it, not question it, just believe it. As I have done so, I have found revelation after revelation given to me by the Holy Spirit.

We should become like little children and believe without question that God loves us. As we pray in the name of Jesus with the power of the Holy Spirit and in accordance with the Word of God we know that He hears our prayers.

"But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him." (Hebrews 11:6). As we do this, the mountain is defeated.

What is God saying to me?

● **LET'S PRAY**

● **REAL LIFE STORIES OF GOD'S POWER**

As I was sitting [in a healing meeting] Bill called my symptoms out and told me that if I wanted a healing I could go on to the stage and be healed. As he prayed for me, he said, "This is a twin healing". I used to suffer from terrible cramp of the bowel, and my mother was [also] healed. My brother was also healed so it was not just a twin healing, it was a triple healing and we haven't had these symptoms back. David
